RESOLVED, that the charter of the corporation be, and hereby is, amended by adding the following Article to said charter:

ARTICLE IX

No director of the Corporation shall be personally liable to the Corporation or its shareholders for monetary damages for breach of duty by such director as a director; provided, however, that this Article IX shall not eliminate the liability of a director (unless otherwise permitted by applicable law), (i) for acts or omissions not in good faith that the director, at the time of the breach, knew or believed conflicted with the best interests of the Corporation; (ii) under North Carolina General Statutes § 55-32, as it may be amended from time to time; (iii) for any transaction from which the director derived an improper personal benefit; and (iv) for acts or omissions occurring prior to the adoption of this Article. No amendment to or repeal of this Article IX shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.

3. The number of shares of the corporation outstanding at the time of such adoption was 7,000 all being shares of common stock without clarification; and the number of shares entitled to vote thereon was 7,000.

4. The number of shares voted for such amendment was 7,000; and no shares were voted against the amendment.
