U FILL'ER UP

THIS AGREEMENT made and entered into this 1st day of February, 1981,
by and between U-FILLER-UP, INC., a North Carolina Corporation, hereinafter referred to as "DISTRIBUTOR", and

RECON SUPPLY

Name _____

Individually and t/a

Name of store _____

or

Corporation

State of Inc.

Trade name

hereinafter referred to as "OPERATOR".

WITNESSETH:

WHEREAS, DISTRIBUTOR is the owner of complete self-service gasoline equipment consisting of tanks, pumps, signs, remote control equipment, and other related items hereinafter referred to as the "UNIT"; and

WHEREAS, OPERATOR owns or holds lawful possession of the property described in Exhibit "A" which is attached hereto and made a part of this Agreement as though set out herein in full, and

WHEREAS, OPERATOR desires that DISTRIBUTOR install the UNIT on the property described on Exhibit "A" and furnish its petroleum products to OPERATOR on a consignment basis wherein DISTRIBUTOR is a consignor and OPERATOR is a consignee and DISTRIBUTOR agrees to do so upon the terms and conditions hereinafter set forth;

NOW, THEREFORE, for and in consideration of the mutual covenants set forth herein and the sum of ten (\$10.00) dollars by each party paid to the party of the other part, the parties hereto agree as follows:

1. **INSTALLATION OF EQUIPMENT:** DISTRIBUTOR will install the UNIT on said property in a workmanlike manner at its sole expense, provided that such location and manner of installation are approved by all governmental authorities having jurisdiction over the matter including but not limited to building inspectors, fire marshals, state highway authorities, and city councils, within one-hundred eighty days after such approval.

2. **MAINTENANCE AND OPERATION:** DISTRIBUTOR shall maintain the UNIT at all times in good working order and OPERATOR shall not be liable for any expense of repair or replacement thereof; provided, OPERATOR promptly shall report to DISTRIBUTOR any breakdown of the UNIT and DISTRIBUTOR shall use due diligence to repair same. OPERATOR shall furnish personnel to attend the UNIT and said personnel shall be the employees of the OPERATOR and not the DISTRIBUTOR. DISTRIBUTOR shall supply petroleum products sold through the UNIT in a normal and convenient delivery schedule and accordance with applicable laws.

3. **UTILITIES:** OPERATOR shall furnish without charge to DISTRIBUTOR all utilities necessary to operate the UNIT.

UNIT.

4. **OWNERSHIP AND CONTROL:** DISTRIBUTOR shall at all times own the UNIT, petroleum inventory, and proceeds from the sales of petroleum inventory and shall have the right to enter upon the OPERATOR'S property at all times for the purpose of installing, repairing, replacing, maintaining, delivering petroleum products, removing the UNIT, or receiving funds held in trust, in accordance with the provisions hereof. All inventory of petroleum products shall be consigned to the OPERATOR and proceeds from the sale of such consigned products in the hand of the OPERATOR are held in trust and shall be and remain the property of DISTRIBUTOR.

5. GASOLINE PRICES:

6. **PROCEEDS OF CONSIGNMENT SALES:** OPERATOR shall hold all proceeds from the sale of all consigned products sold by the OPERATOR and remit same to DISTRIBUTOR or its assignee at such intervals and in such manner as DISTRIBUTOR may request, but in no event more than two days after the close of each successive seven day period. The risk of theft and destruction of such monies shall be borne by OPERATOR. OPERATOR shall accept checks for petroleum products solely at OPERATOR'S risk and shall remit only cash to DISTRIBUTOR. The amount of gasoline dispensed from the UNIT shall be determined by meters on the pumps, gauges on storage tanks, or other reasonable methods for determining the quantity of gasoline removed from the storage tanks; shrinkage and losses due to spillage and evaporation shall be borne by the DISTRIBUTOR. The total gross gallonage to be charged to the OPERATOR is the portion only that shall be metered out and sold at retail. It is completely clear to the OPERATOR that funds collected from the sale of petroleum products are the property of the DISTRIBUTOR and are not to be used or spent for any purpose by the OPERATOR but are held in trust by the OPERATOR until remitted to DISTRIBUTOR. If such funds cannot be remitted as required herein due to some emergency such as sickness, death, flood, fire, national emergency, or other similar event, the OPERATOR is to notify, or cause to be notified the DISTRIBUTOR by phone as soon as possible at the expense of the DISTRIBUTOR. For good cause shown, (such as a planned vacation where the OPERATOR leaves his store open but does not have satisfactory means of remitting DISTRIBUTOR'S funds until he returns) the DISTRIBUTOR may agree in writing to late remittance of its funds. Should the OPERATOR fail to remit DISTRIBUTOR'S funds when due, except under conditions set forth above, DISTRIBUTOR, will notify OPERATOR by phone or telegram of failure to remit DISTRIBUTOR'S funds and OPERATOR will have seventy-two hours to deliver to DISTRIBUTOR all DISTRIBUTOR'S monies held by the OPERATOR. After seventy-two hours if said funds have not been received by the DISTRIBUTOR, DISTRIBUTOR may cause the UNIT to be deactivated and the OPERATOR shall sell no more of DISTRIBUTOR'S products until all funds of DISTRIBUTOR'S are remitted to DISTRIBUTOR. While said UNIT is deactivated for reason of the OPERATOR'S failure to remit DISTRIBUTOR'S money, the OPERATOR will be liable to the DISTRIBUTOR in the amount of fifteen dollars per day, payable weekly. In the event the DISTRIBUTOR elects to remove its equipment for failure of the OPERATOR to remit funds held in trust, OPERATOR'S obligation in the amount of fifteen dollars per day will cease as of the date of removal and OPERATOR will be liable to the DISTRIBUTOR for its loss in installation and removal of said UNIT; in such event no petroleum products may be sold at said property for the balance of OPERATOR'S lease. In addition, DISTRIBUTOR, at its option, may resort to any and all other remedies against the OPERATOR as by law provided.

AMENDED. SEE ADDENDUM.

AMENDED. SEE ADDENDUM.

8. **RELATIONSHIP OF PARTIES:** It is not the purpose or intention of this Agreement to create, and the Agreement shall not be construed to result in the creation of, a partnership, joint venture or other relationship whereby any party hereto shall be held liable for the acts or omissions of any other party, and each party shall be responsible only for its obligations arising hereunder.

SEE AD-
DENDUM.

10. **COVENANTS TO RUN WITH LAND:** This Agreement and all covenants herein contained shall be deemed to touch and concern the property to run with the land and be binding upon all persons who shall succeed to the estate of the OPERATOR or any owner of the estate of the OPERATOR and any owner of the property whose consent to this AGREEMENT shall be annexed hereto.

11. **PROHIBITIVE ORDINANCES:** If any valid law, or ordinance, regulation or court decision shall have the effect of preventing or prohibiting the performance by DISTRIBUTOR under the covenants of this Agreement, this Agreement may be terminated at the election of the DISTRIBUTOR.

12. **UNIFORM COMMERCIAL CODE — SHORT FORM AGREEMENT:** The Operator has simultaneously executed and agrees to the recordation of uniform commercial code forms and a short form agreement putting all persons on notice of this consignment sales agreement.

13. **PORTION DEEMED UNENFORCEABLE:** Should any portion of this Agreement be deemed by any court of competent jurisdiction unconstitutional or unenforceable the balance of the Agreement shall remain in full force and effect.

14. **LICENSES, TAXES, ETC.:** Inasmuch as the UNIT and its operation are the sole property of the DISTRIBUTOR, DISTRIBUTOR is liable for and agrees to pay privilege taxes and personal property taxes and all other taxes which might be assessed against the operation of the UNIT.

15. **APPLICABLE LAW:** It is stipulated and agreed that the laws of North Carolina shall govern the interpretation of this Agreement.

16. SUBLEASE OR SALE: In the event that the OPERATOR decides to sell or sublease its interest in the aforementioned property the OPERATOR shall give first right of refusal to the DISTRIBUTOR to purchase said property or assume said lease at the same terms and under the same conditions that it will be offered to the other parties.

17. **COMPLETE AGREEMENT AND WAIVERS:** The Agreement and any addendum attached hereto contains the entire agreement of the parties and no representations, inducements or promises, oral or otherwise between the parties not embodied herein shall be of any force and effect. No failure of DISTRIBUTOR to exercise any right given to it hereunder or to insist upon strict compliance by the OPERATOR of any obligation hereunder, and no custom or practice at variance with the terms hereof shall constitute a waiver or DISTRIBUTOR'S right to demand exact and literal compliance with the terms hereof. Waiver of any particular default by the OPERATOR shall not impair the DISTRIBUTOR'S right in respect of any subsequent default of the same or a different nature, nor shall delay or omission of the DISTRIBUTOR'S rights as to such default or any subsequent act of default.

18. **ASSIGNMENT:** Proceeds from the sale of petroleum products held in trust by the OPERATOR may be assigned or this Agreement may be assigned by the DISTRIBUTOR without the consent of OPERATOR being first obtained.
