2. ASSIGNMENT AS COLLATERAL SECURITY; TERMINATION:

The Trustees shall not be obligated to perform or discharge, nor do they hereby undertake to perform or discharge, any obligation, duty or liability under the Lease or under or by reason of this Assignment and the Company shall and does hereby agree to indemnify and hold the Trustees harmless of and from any and all liability, loss or damage which they may or might incur under the Lease or under or by reason of this Assignment, and of and from any and all claims and demands whatsoever which may be asserted against them by reason of any alleged obligations or undertaking on their part to perform or discharge any of the terms, covenants or agreements contained in the Lease.

5. IRREVOCABILITY; SUPPLEMENTAL INSTRUMENTS:

The Company agrees that the assignment made hereby and the designation and direction of the Tenant hereinabove set forth are irrevocable, and that the Company will not, while such assignment is in effect or thereafter until the Tenant has received from the Trustee notice of the termination thereof, take any action as lessor under the Lease or otherwise which is inconsistent with said assignment, or make any other assignment, designation or direction inconsistent therewith, and that any assignment, designation or direction inconsistent therewith shall be void. The Company will from time to time, upon request of the Trustees, execute all instruments of further assurance and all such supplemental instruments as the Trustee may specify.

6. CONSENT OF THE TENANT:

The Tenant consents to the foregoing provisions of this Assignment, and agrees to give, make or pay and deliver to the Trustee, as hereinabove provided, in the manner and at the time and in the amounts specified in the Lease, all rents and other payments, tenders and security assigned to the Trustees, without any set-off, counterclaim, abatement, deduction or defense, and agrees to deliver or remit to the

1432P1451

Trustee all notices and other communications which are required or permitted to be given or made to the Trustees under the Lease.

The Tenant consents and agrees that any notice given to the Tenant by the Trustee shall have the same force and effect as a notice given by the Company; that the Trustees shall not by reason of this Assignment be subject to any liability or obligation under said Lease, and that any consent provided in said Lease which may be given by the Landlord shall not be valid unless approved by the Trustee.

7. CHARACTER OF THE TENANT'S OBLIGATIONS:

The liabilities, obligations and undertakings of the Tenant under this Assignment are independent of, separate from and in addition to those of the Tenant as lessee under the Lease, and shall not be diminished or deferred for any reason whatsoever, including without limitation (i) termination of the Lease pursuant to Section 24 of the Lease or repossession or reletting of the Leased Properties, or any part thereof, or (ii) the invalidity or unenforceability of the Lease or any provision thereof, whether because the Lease or a memorandum thereof or financing statements have not been filed, registered or recorded as may be required by applicable law, or because the Company as lessor

may not have had good right or lawful authority to lease the Leased Properties to the Tenant (even if the Company may not have had sufficient title to the Leased Properties at the time of the leasing thereof to the Tenant), or because the Company may not have complied with applicable law, or because of any other reason similar or dissimilar to the foregoing, or (iii) the invalidity or unenforceability of this Assignment, or any provision hereof, whether because this Assignment or financing statements have not been filed, registered or recorded as may be required by the applicable law, or because of revocation, or because of any other reason similar or dissimilar to the foregoing.

8. AMENDMENT OR TERMINATION OF LEASE:

The Company and the Tenant agree that they will not, except as expressly permitted by the Lease and the Indenture, enter into any agreement subordinating, amending, supplementing, modifying or terminating the Lease without the consent thereto in writing of the Trustees, and that any attempted subordination, amendment, supplement, modification or termination without such consent shall be void. In the event that the Lease shall be amended or supplemented as herein permitted, the Lease as so amended or supplemented shall continue to be

subject to the provisions of this Assignment without the necessity of any further act by any of the parties hereto.

9. MISCELLANEOUS:

The headings to the various paragraphs of this Assignment have been inserted for convenient reference only and shall not modify, define, limit or expand the express provisions of this Assignment. The Trustee shall signify its acceptance of the provisions of this Assignment by accepting delivery of a counterpart hereof and by authenticating and delivering the Notes pursuant to the Indenture.
