Beneficiary's right under subparagraph (g) above may be exercised for the sole purpose of increasing the interest rate on the indebtedness secured hereby. 9. APPOINTMENT OF RECEIVER. Beneficiary, immediately upon default hereunder, or upon proceedings being commenced for the foreclosure of this Deed of Trust, may apply ex parte for, and as a matter of right be entitled to, the appointment of a receiver of the rents and emoluments of the premises, without notice and without reference to the value of the premises or the solvency of any persons or entities liable hereunder.

10. SUBSTITUTION OF TRUSTEE. Beneficiary hereby is authorized and empowered at any time or times hereafter, at Beneficiary's sole option, without notice and without specifying any reason for such action, to remove any Trustee or successor hereunder and in such event or in the event of the death, resignation or other incapacity of any Trustee, to appoint a successor in his place by an instrument duly recorded in the office of the Register of Deeds of the County in which this Deed of Trust is recorded; and such substitute Trustee or Trustees thereupon shall become vested with all the rights, powers, duties and obligations herein conferred upon the Trustee, it being expressly understood that the rights and powers herein conferred shall be in addition to, and not in derogation of, any other rights, powers and privileges under then existing law with reference to the substitution of Trustees.

12. CROSS DEFAULT. In the event of default by Trustor in the performance of (1) Trustor's obligations under this Deed of Trust, (2) any other obligation of Trustor to Beneficiary or, (3) default or failure of Trustor to perform any of the conditions or covenants of the instrument(s) evidencing the indebtedness secured hereby, such default may be deemed at the option of Beneficiary, a default in all indebtedness due Beneficiary by Trustor, and the entire indebtedness, interest thereon and advances in regard thereto shall become due and payable immediately, without notice to Trustor, which notice Trustor hereby expressly waives.

13. COMPLIANCE WITH ENVIRONMENTAL LAWS; INDEMNITY AND HOLD HARMLESS. (a) Trustor hereby represents and warrants to Beneficiary and Trustee that: (1) no Hazardous Materials (as hereinafter defined) have been used or placed in, on or at the premises in violation of, and the premises are presently in compliance with, all applicable Environmental Laws (as hereinafter defined), and there are no circumstances presently existing in, on, at or relating to the premises which could result in violation of any applicable Environmental Laws; (2) Trustor shall not cause or permit the installation, storage, treatment, disposal, discharge, release or threatened release of Hazardous Materials in, on, at or from the premises and has not engaged in, and has no knowledge of, any activity on or in the vicinity of the premises which resulted in, or is likely to result in, the presence or release or threatened presence or release of any Hazardous Materials; (3) the premises shall be kept free of the presence of Hazardous Materials and shall not be used to generate, manufacture, transport, treat, store, handle, dispose of or process Hazardous Materials; (4) Trustor has not violated, and shall continue to cause the premises to comply with, all applicable Environmental Laws relating to or affecting the premises, and shall ensure compliance by all other parties, and shall keep the premises free and clear of any liens imposed pursuant to any applicable Environmental Laws; (5) Trustor has, and at all times has had, and will at all times continue to have and/or maintain, all licenses, permits, and other governmental or regulatory authority necessary for Trustor's activities and operations on the premises and necessary for compliance with all applicable Environmental Laws, and Trustor is, has been, and will continue to be, in full compliance with the requirements of the aforesaid authorities; (6) Trustor has complied with, has at all times been in compliance with, and will at all times continue to be in compliance with, all Environmental Laws relating to notification, registration, recordkeeping, installation, financial responsibility and payment of fees with regard to all storage tanks, equipment, facilities, activities and operations on the premises; (7) there is not now pending or threatened any action, suit, investigation or proceeding against Trustor or the premises (or against any other party relating to the premises) seeking to enforce any right or remedy under any Environmental Laws; (8) Trustor is not now, and has not been, subject to any order, threatened with any enforcement action, received any notice, or received any request for information or any other demand or inquiry pursuant to any Environmental Laws with respect to the premises or any activity or condition in, on, at or relating to the premises; (9) Trustor shall immediately give Beneficiary oral and written notice in the event that Trustor receives any notice from any governmental agency, entity or any other party with regard to Hazardous Materials in, on, at or affecting the premises, and shall conduct and complete all investigations, sampling and testing, and all remedial, removal and other actions necessary to clean up and remove all Hazardous Materials from or affecting the premises in accordance with all applicable Environmental Laws; (10) Trustor will provide to Beneficiary, and has an ongoing obligation to provide to Beneficiary, copies of all information in its possession, under its control or available to it concerning the environmental condition of the premises and any and all properties adjacent to the premises; and, (11) Trustor shall (i) notify Beneficiary of any material change in Trustor's activities or operations on the premises, (ii) permit Beneficiary or Beneficiary's agent to go onto the premises at any time to conduct such investigations of Trustor's activities and operations in, on, at or relating to the premises as Beneficiary shall deem reasonable in Beneficiary's sole discretion to assure Trustor's continued compliance with this paragraph and with all applicable Environmental Laws, and (iii) tender sufficient additional collateral to Beneficiary, the sufficiency of which shall be in Beneficiary's sole discretion, in the event Beneficiary reasonably suspects the presence, release or threatened release of Hazardous Materials in, on, at or from the premises. Notwithstanding the foregoing, in the event Beneficiary reasonably suspects the presence, release or threatened release of Hazardous Materials in, on, at or from the premises, Beneficiary may, at its option, declare this Deed of Trust and the obligation(s) which it secures to be immediately in default. Additionally, Beneficiary may take such legal and/or equitable action as it deems necessary in such event to prevent any activity, operation or occurrence in, on, at or affecting the premises which would or might constitute a breach of this paragraph and/or to prevent the presence, release or threatened presence or release of Hazardous Materials in, on, at or from the premises. Trustor shall be in default under this Deed of Trust and the obligation(s) it secures in the event of a breach of any warranty or representation of Trustor under this paragraph or any other breach by Trustor of its obligations under or the provisions of this Paragraph 13. (b) Trustor hereby agrees to indemnify Beneficiary and Trustee and hold Beneficiary and Trustee harmless from and against any and all costs, expenses, losses, liabilities, damages, injuries and claims of any and every kind whatsoever (including, without limitation, any diminution in the value of the premises, damages for the loss or restriction on use of the premises or any portion thereof, damages arising from any adverse impact on the marketing of the premises or any portion thereof, damages to natural resources, personal injuries, and sums paid in settlement of claims, court costs, attorneys' fees, and fees for consultants or experts) whether paid, incurred or asserted against Beneficiary and Trustee for, with respect to, or as a direct or indirect result of: (1) the presence in, on or at, or the escape, spillage, emission or release from, the premises of any Hazardous Materials, or a substantial threat of any of the foregoing, (2) the violation of any applicable Environmental Laws relating to or affecting the premises, or the activities conducted thereon, (3) the failure by Trustor to comply fully with the terms and provisions of this Paragraph 13, or (4) any warranty or representation made by Trustor in this Paragraph 13 being false or untrue in any material respect. This indemnification of Beneficiary and Trustee by Trustor includes, without limitation, costs incurred in connection with the investigation of site conditions, sampling and testing, or any remedial, removal or other clean-up work required by any federal, state or local governmental agency or political subdivision because of the presence of Hazardous Materials in, on, at, relating to or affecting the premises. Without limiting the foregoing, if any Hazardous Materials are present, released or threatened to be released in, on, at or from the premises, Trustor shall promptly take all actions at its sole expense as are necessary to return the premises to the condition existing prior to the introduction of such Hazardous Materials thereto. (c) For purposes of this Paragraph 13, "Hazardous Materials" means and includes petroleum products, any flammable explosives, radioactive materials, asbestos or any material containing asbestos and/or any hazardous, toxic, regulated or dangerous waste, substance or material defined as such by the Environmental Protection Agency as for the purpose of or by any Environmental Laws as may now or at any time hereafter be in effect. (d) The obligations and liabilities of Trustor under this Paragraph 13 shall survive the foreclosure of or the exercise of a power of sale under this Deed of Trust, the delivery of a deed in lieu of foreclosure, the cancellation or release of record of this Deed of Trust, or the payment and cancellation of the Note.

14. TRUSTOR'S DUTY TO PAY APPRAISAL, ENVIRONMENTAL ASSESSMENT, ETC. EXPENSES. Trustor agrees to pay and reimburse Beneficiary for, upon demand by Beneficiary, any and all of the following costs, expenses and fees incurred from time to time by Beneficiary. (i) all fees and expenses incurred to obtain an appraisal of the premises after a default and prior to foreclosure, (ii) all fees and expenses incurred to obtain periodic updates of appraisals of the premises in the event the indebtedness secured hereby is not paid according to its terms, (iii) all fees and expenses incurred to obtain environmental studies and assessments after a default and prior to foreclosure, and (iv) all other costs, fees and expenses incurred to comply with all legal and regulatory requirements imposed on Beneficiary to protect the premises as collateral for the indebtedness secured hereby or to analyze the value thereof. All costs, fees and expenses so incurred by Beneficiary, as herein provided, shall be charged hereunder as principal money secured by this Deed of Trust and shall bear interest at the same rate as the principal indebtedness secured hereby, payable upon demand or otherwise as Beneficiary may determine. Nothing herein shall be construed to allow Beneficiary to collect any fee, cost or expense otherwise prohibited by applicable law.

15. TERMS. The term "Trustor" as used herein shall include, jointly and severally, all parties hereinbefore named as "Trustor," whether one or more and whether individual, corporate or otherwise, and their heirs, legal representatives and assigns, and any subsequent owners of the property hereby conveyed, and the term "Beneficiary" as used herein shall include any lawful owner or holder of the indebtedness secured hereby, whether one or more.

BUT IF DEFAULT shall occur in the payment of said indebtedness, interest thereon or advances hereunder or any part of either, or of any taxes, charges, assessments or insurance premiums, as hereinabove provided, or by reason of the failure of Trustor to perform and observe each and every covenant, condition and agreement specified in this Deed of Trust, then in all or any of said events, the indebtedness secured hereby, interest thereon and all advances hereunder, at the option of Beneficiary as hereinabove provided, shall become immediately due and payable without further notice, and thereupon it shall be lawful for, and upon the request of Beneficiary it shall become the duty of, Trustee, who hereby is so authorized, empowered and directed, to advertise and sell under this Deed of Trust the premises, at public sale, to the highest bidder for cash and in one or more parcels, after first giving such notice of hearing as to commencement of foreclosure proceedings and obtaining such findings or leave of court as then may be required by applicable law, and thereafter giving such notice and advertising of the time and place of such sale in such manner as then may be required by applicable law; and upon such sale and any resales in accordance with the law then relating to foreclosure proceedings, and upon collection of the purchase money arising therefrom, it shall be the duty of the Trustee to make and deliver to the purchaser or purchasers, his/its/their heirs, successors or assigns, a proper deed or deeds therefor and to pay from the proceeds arising from such sale: first, all costs and expenses incident to said sale, including as compensation for his services an amount equal to 5 percent of the gross proceeds of such sale or \$150, whichever is greater, together with reasonable attorney fees for legal services actually performed; second, all taxes or assessments then constituting a lien against said premises other than those advertised and sold subject to; third, the unpaid principal indebtedness, interest thereon and advances hereunder, together with reasonable attorney fees, if any, as provided in the instrument(s) evidencing the indebtedness secured by this Deed of Trust; and fourth, the balance to Trustor, to such other person entitled thereto, or to the Clerk of Court of the County in which said foreclosure proceedings were instituted or as then may be authorized or directed by applicable law. In the event any foreclosure so commenced is terminated upon the request of Trustor prior to delivery of the deed or deeds by Trustee as aforesaid, Trustor shall pay to Trustee all costs and expenses incident to said foreclosure, including as compensation for his/its services an amount equal to 50 percent of the compensation to which he/it would have been entitled upon delivery of the deed or deeds as aforesaid if such termination is prior to any hearing then required by applicable law; 75 percent of such amount if such termination is after such hearing but before any sale hereunder; and the full amount if such termination is at any time after such sale, together with reasonable attorney fees for legal services actually performed to the date of such termination and reasonable attorney fees, if any, as provided in the instrument(s) evidencing the indebtedness secured hereby. The compensation herein allowed to Trustee shall constitute a lien on the premises immediately upon request of sale as aforesaid, and Trustee shall suffer no liability by virtue of Trustee's acceptance of this trust except such as may be incurred by Trustee's failure to account for the proceeds of any sale hereunder.
