Re: Deed from The Northwestern Bank to M &
J Realty and Mortgage Company recorded
in Book 1114, page 108

Dear Mr. Price:

This acknowledges your letter of October 5, with respect to the above. After a review of the statutes involved, I concur with your opinion that Revenue Stamps probably should have been placed on the deed, and I enclose check of The Northwestern Bank for \$279.00 to cover the consideration. Actually, the land was owned by one company and the construction of a building made by another company to which the property was conveyed, so I doubt the full consideration is due, but this should resolve the issue.

Yours very truly,

W. G. MITCHELL
